

Advertise in a Future Heirloom!

A limited number of advertising spaces are now available in the Dawson Creek Better at Home cookbook 'Good Things'.

Your advertisement will become part of hundreds of family traditions in this very special cookbook, which is sure to be passed around, passed down, and well read for years to come.

Your ad will be in the cookbook, amongst the recipes, not at the back of the book.

All ads are black and white and you can either supply your material in the appropriate size or we can take your information and graphics and design your ad for you (*you will have an opportunity to proof the resulting ad*).

Advertisers spending \$150 or more will be able to pre-order up to 3 copies of "Good Things" at the patrons' special rate of \$12 each (a savings of 20% over the retail price of \$15!)

All proceeds from the sale of this cookbook will go towards helping local seniors remain independent in their own homes.

Size	# spots available	Cost each
