## 'Leave a Legacy'

What does that mean?

'Leave a Legacy' is a way for donors to give a gift that will benefit seniors and our community, now and in the future. Legacies help the Better at Home program to continue to meet the needs in our community through our many services.

...give a gift that  
will benefit  
seniors...

Members of the community may wish to show their support for the services Better at Home provides to local seniors by making provisions in their will for bequests or by some other gift.

'Leave a Legacy' funds are dedicated to providing services to Dawson Creek seniors. This way any money raised through 'Leave a Legacy' will have a very direct and vital impact on the independence and well being of seniors in the community.

## What Kind of Legacy?

What are the options?

**Cash Gifts** The easiest way to leave a legacy is by a cash donation. The benefits and impacts are immediate.

**Commemorative Gifts** mark an important event or a special person from the past.

**Memorial Gifts** recognise a special person in your family or community when they pass.

**Celebration Gifts** may honour a friend, family member, or colleague upon reaching an important milestone; like retiring, graduation, a wedding, or a special anniversary.

**Gifts Through Life Insurance** - a small investment that will eventually grow into a major bequest. Contact your insurance agent to set this up.

**Naming a Charity as Beneficiary in a Will** can be an option, particularly if the donor does not have immediate family. Consult your lawyer to set this up.

## What Will My Legacy Be Used For?

The Legacy you leave will be used to pay for services to local seniors to help them remain independently in their own homes. Services like plowing out driveways or help with regular cleaning in the home.

Life is better at home, and staying in our own home is something everyone would prefer to do if at all possible. Sometimes just a little help with the heavy lifting can make all the difference. Better at Home provides the services seniors need to live independently in their own homes. This is your legacy.

*It is always wise to consult with your legal, taxation, or life insurance consultant when planning to leave a legacy.*
