Consign your crafts and art at the Better at Home booth in the Kiwanis Home, Garden, & Leisure Show! (formerly the 'Trade Show')

Any money raised from the consignment fee (10% for seniors 65 and over, and 20% for consigners under 65) will provide services to help local seniors remain independently in their homes by providing house cleaning services.

If you, or someone you know, would like to consign some items to be sold at the show, please ask them to contact me as soon as possible so I know how much space to reserve.

Please feel free to pass this information on to anyone you think may like to participate.

We also have openings to volunteer at the show. We never schedule anyone for more than 2 hours at a time and there's always at least two people working in the booth at any given time.

Contact Linda to arrange to consign your items at the Kiwanis Home, Garden, & Leisure Show
or to volunteer to take a shift at the show

**SATURDAY
MAY 27**

A Day of Learning

Especially for our Volunteers, Contractors, and Staff

On May 27th, Better at Home will be offering a 'Day of Learning' on the most requested senior-related topics; Dementia and Elder Abuse.

We have arranged to have this Day of Learning on a Saturday to accommodate those who work during the week. Our facilitators are very knowledgeable and approachable and will be available to answer any questions you may have on these two important topics. We cannot over emphasize how important it is to you, as a person dealing with seniors, to have a basic understanding of these two topics.

We do need to hear from you as soon as possible as there is limited seating. We will be supplying lunch, so we also need the numbers to plan the catering. Please contact Linda as soon as you can so we can reserve you a seat. lstudley@spcrs.ca or 250-782-2341
