

Spotlight on Seniors Access

Dawson Creek Better at Home is very fortunate to be hosted by two local non-profit organizations; SPCRS (South Peace Community Resources Society) and SPSASS or "Seniors Access" (South Peace Seniors Access Service Society).

This month we're shining the spotlight on Seniors Access.

Located right beside the Better at Home office, Seniors Access is run completely by volunteers and mans the desk from 1:00 to 3:00 Monday through Friday. These helpful volunteers can assist seniors looking for services and resources. They can also help seniors navigate through paperwork.

Seniors Access runs regular workshops and activities as well as a weekly computer club, where seniors can get help with their computers and other electronic gizmos!

Every two years Seniors Access holds a Seniors Conference, with guest speakers, entertainment, information, and great food. (The date is set for May 13th, 2017 —keep an eye out for tickets coming on sale).

Drop over to the Seniors Access website and see what's new! www.seniorsaccess.org

Next month we'll shine the spotlight on SPCRS; an organization with deep roots in our community and throughout the Peace.
